

September 2010

Dear Family and Friends,

What a magnificent summer we have had at Sentry Hill! The weather couldn't have been better for the theme BBQ's, the outdoor concert, the Seadogs Game, the playhouses, and for our day at Camp Waban on the lake. We are also blessed with a great staff, family members, friends and volunteers who help us make these events possible for our community members. There were over one hundred twenty folks who enjoyed the lake that day. We will be framing pictures and putting them up around the facility, so please enjoy looking at them.

This month we will be celebrating National Assisted Living Week. The theme this year is "Living Well", so we will be having entertainment every day that week. We kick the week off with a Harvest Fest on Monday the 13<sup>th</sup>. We will be having horse and wagon rides, country goodies (cornbread, hotdogs, chili, and cider) and of course Jose Duddy "Maine's #1 country singer" will be here to entertain us. On Tuesday, Bill and Lucy will be here in the morning and Terry Collins performs for us in the afternoon. Wednesday, we will be entertained by accordion player Gary Sredzienski and on Thursday, Bill Foley will be here to sing and play our favorite songs. On Friday, we have a new performer Paul Carroll who plays the Irish drums and guitar, he will be performing at 2:30pm. Later in the evening, to close out National Assisted Living Week, we are very excited to announce that Tim Janis will be performing with Bill Thomson at 7:00pm in the Primrose Dining Room. This performance is free to the community, so we hope to see you there. We are also selling Tim Janis CD's in the front lobby if you would like to purchase one.

As always we encourage you to attend any and all events.
